Pool Campus Placement drive by

Datapoint Info Solutions (P) LTD, Hyderabad

Company : **Datapoint Info Solutions (P) Ltd.**

About the Company : **DATAPOINT** established in the year 2001 has made a mark in IT Consulting and Staffing. On the verge of our expansion we gradually moved our operations to Software Development, Web Designing and Development. We are uniquely positioned - geographically and strategically to help organizations achieve their business goals through effective and cost efficient solutions for their Business needs. We have a focused approach which is targeted to meet the requirements of end users and is quality-centric. After having worked with varied vertical and Business lines, we have gained expertise in various Business Domains that have given us an edge over others. We believe in satisfaction of our clients through compelling and well-focused websites and web solutions that ultimately result in business generation for them too.
